

Welcome to JoVE!

We are pleased to have you as a member of our community. To utilize the faculty features that come with your institution's subscription and to ensure seamless access for your students, please begin by [creating an account](#) using your institutional credentials. Check which JoVE content you have access to [here](#).

With JoVE, you can:

streamline lesson planning

save time on class preparation

support a variety of instructional models including flipped classrooms

enable independent exposure to lab techniques and research

Here are several tips on how to get the most out of JoVE:

- 1 Embed JoVE content into Brightspace.**

JoVE supports various methods of content integration, allowing you to easily embed a single video or a set of videos into your learning management system. To learn how to embed JoVE content into Brightspace, please see [these instructions](#) or watch [this video](#).
- 2 Request a syllabus map from JoVE at no cost.**

This is an easy and efficient way to streamline lesson planning. JoVE's on-staff Ph.D.'s can map JoVE content to any syllabus or lab training program.

 - Browse the available maps [here](#).
 - Request a syllabus map tailored to your instruction or lab needs [here](#).
- 3 Take advantage of our new feature: playlists!**

Playlists bring together a selection of JoVE videos to support specific instruction, laboratory, or research needs. Keep your favorites in one place, customize your lists, and share them with colleagues and students.

 - Create your own playlists. Watch [a how-to video](#) or read [these instructions](#).
 - Request a customized playlist [here](#).

With the option to add labels, you can easily organize your playlist, or even include questions to create engaging class assignments.
- 4 Use JoVE quizzes to improve student performance.**

You can create, customize, and track quiz responses within Brightspace. This allows you to test students' comprehension of topics and fill in the gaps.

 - Ask your [Curriculum Specialist](#) for pre-made quiz files to upload.
 - Watch [a video](#) on how to upload a QTI file with JoVE quiz content into Brightspace, or see [these instructions](#).
- 5 Browse our Faculty Resource Center for additional support.**

You can find additional support and ideas in the [Faculty Resource Center](#) or contact our [Customer Success](#) team for more information.

JoVE is the leading producer and publisher of video resources with the mission to increase the productivity of research and education
